There is no resolution related to an HP boycott on our agenda.

Subject: I support BDS

In a spectacular failure of targeted marketing, a ridiculous mailing showed up at my building reading "Hate Has No Place in Cambridge," saying that the Council will be voting on BDS. The group behind the mailing seems to support illegal settlements, apartheid, and military atrocities against civilians, all of which are legitimately hateful. Cutting financial ties with an apartheid state perpetuating crimes against humanity and violations of international law is the opposite of hateful. I hope the Council takes this step and approves BDS.
